49 students attending best-fit high schools

5 students attending top boarding schools

Over $1,000,000 in academic, squash, and summer scholarships

Next up, College!
Our mission is to use squash, education, mentoring, cultural experience and community service to empower Chicago Public School students to realize their full academic, athletic, and personal potential.
The METROsquash Academic Program is made up of 3 components: Academic Tutoring, High School Prep, and College Prep. Each student benefits from five hours per week of academic homework help and enrichment. Middle school students have a 1:3 tutor per student ratio, and high school students have a 1:1 tutor per student ratio.

HIGH SCHOOL PREP
Since 2005:
- 49 students have accessed schools where an average 85% of freshmen are on track to graduate (vs. 57% at their default neighborhood schools)
- 8 students have been accepted to top private & parochial schools on scholarships:
  - The Hotchkiss School, Choate Rosemary Hall, Loomis Chaffee, Lake Forest Academy, Blair Academy
  - Hales Franciscan, St. Ignatius, De La Salle
This year:
- 12 students were accepted to high performing high schools
- Average SSAT scores improved 54% during 6 months of test prep

COLLEGE PREP
Since 2005:
- High school students have participated in ACT prep, college visits, writing workshops and college-based summer academic programs
This year:
- Freshman learned study skills, college terminology, and the benefits of receiving a college education
- Sophomores developed presentations for middle school students on colleges of their choosing
- Juniors prepared college shortlists and began writing applications

ACADEMIC TUTORING
Since 2005:
- 4,300 hours of tutoring and academic enrichment delivered
- Every student has matriculated to the next grade each year
- Students have received homework help, remedial tutoring, academics, enrichment, and access to technology
This year:
- High school student’s average GPA rose from 3.2 to 3.4
- 97% of middle school students earned all A’s, B’s, and C’s

According to the Consortium on Chicago School Research at the University of Chicago, freshmen are on-track if they earn at least 5 credits and no more than 1 “F” in a semester grade for a core class.

Average ACT Scores

Students who participated in ACT prep classes showed a 12% increase in scores.
In the METROsquash Squash and Wellness Program, each student spends an average of six hours per week receiving squash instruction from professional squash coaches, participates in vigorous fitness training, and receives integrated nutrition instruction on how to lead healthy lifestyles. Students receive an additional 5 hours of squash instruction each week, thanks to generous supporters and squash professionals like John Flanigan at the University Club of Chicago and Craig LaSota at the Union League Club.

### Squash Camps
- Cleveland Squash Camp
- Dayton Summer Sizzler
- METROsquash Summer Enrichment Camp
- Nicol Champions Academy, Hotchkiss
- NUSEA Doubles Squash Camp, Denver
- NUSEA Embrace Camp, Philadelphia
- Princeton Squash Camp
- StreetSquash Camp, Harlem
- University Club Squash Camp
- Williams Squash/SAT Camp

### Tournaments
- Choate Jr. Championships
- Dayton Midwest Juniors
- Dayton Squash Camp
- Deroy Junior Open
- Great Lakes Open
- Illinois State Championships
- Illinois State Jr. Championships
- Jr. Bronze Nationals at Yale
- Lake Forest Pre Season Warm-Up
- METROsquash Chicago-Style Open
- METROsquash Windy City Open
- METROsquash Jr. Open
- Midwest Squash Summit
- Midwest Urban Teams
- Minnesota Fall Classic
- NUSEA Urban Teams, Willamstown
- NUSEA Urban Individuals, Harlem
- Team Match vs. Lake Forest
- Team Match vs. Lake Forest Academy
- Team Match vs. Northwestern

This year, 8 students produced significant results on the squash court!

- Yazmynne Carter
  - Choate Rosemary Hall
  - Grade 10
  - Choate Rosemary Hall Squash Team

- Kareemah Bates
  - Kenwood Academy
  - Grade 11
  - GU19 Winner, Illinois State Junior Championships

- Valencia Scalf
  - Gary Comer College Prep
  - Grade 10
  - W3.5 Winner, METROsquash Windy City Open

- Kinsa Sillah
  - King College Prep
  - Grade 9
  - W2.5 Winner, METROsquash Windy City Open

- Keshawn Idris
  - Hales Franciscan High School
  - Grade 11
  - M4.0 Winner, Minnesota Fall Classic & BU19 Winner, Illinois State Junior Championships

- Gabe Burton
  - Urban Prep
  - Grade 10
  - BU19 Winner, Illinois State Junior Championships

- Donnie Harris
  - U of C Charter School-Woodlawn
  - Grade 10
  - M3.5 Winner, Minnesota Fall Classic

- Don Hall
  - King College Prep
  - Grade 11
  - BU19 4th Place, Junior Bronze Nationals

**This Year Yielded 221 Tournament Entries & 77 Squash Camp Opportunities!**

- Star = 1-5 students
- Star = 6-10 students
- Star = 10-20 students
- Star = 20+ students
- Star = 40 free flights awarded by Southwest Airlines

**Squash & Wellness**
The METROsquash Enrichment Program provides students with 42 hours of enrichment opportunities each year, including Life Skills Sessions, Cultural Enrichment, Mentoring, and Community Service, giving each student increased access to a variety of opportunities locally and nationally.

**LIFE SKILLS & CULTURE**

METROsquash programming fosters self-confidence and independence and provides students with access to tools to succeed in middle school, high school, college, and life.

This year, METROsquash recruited expert speakers from the community and other non-profit organizations to teach students valuable life skills in interactive settings.

*Through travel and cultural outings, METROsquash students have visited over 42 different cities locally, nationally, and internationally since the program’s inception.*

This year alone, METROsquash students experienced 17 different cultural outings-visiting museums, national landmarks, and other points of interest that helped introduce them to a broader world.

**COMMUNITY SERVICE**

This year METROsquash paired physical fitness with community service by training hard and completing the first-ever METROsquash 5K in April in Washington Park. Not only did students record their fastest mile times yet, but each student spent months prior earning pledges from friends, family members, & supporters to raise money for the Ronald McDonald House Charities (RMHC) local chapter.

*In all, students raised over $600 for RMHC, and the money will go to families in need right here in Hyde Park. Way to go METROsquash!*

**MENTORING**

*METROsquash has paired 47 students with an adult mentor.*

Mentors and mentees share interests, play squash, pursue academic opportunities, and build strong friendships. This year METROsquash mentors and mentees have played multiple squash matches, gone bowling, attended college speed dating sessions, and visited other Chicago events such as the Chicago Auto Show, the Lyric Opera, basketball games, and movies.
Families & Volunteers

METROsquash exists because of a strong, core network of families and volunteers. METROsquash families have helped provide support for both their students and the staff, and the 2011-2012 school year has proved that, having more family participation & support than any other previous year. Each year, over 150 committed volunteers from the local and Chicago business community come to Hyde Park to give METROsquash students instructional guidance both in the classroom and on the squash court.

Families

METROsquash families participated in and volunteered at the following events in 2011-2012:

- METROsquash Welcoming Ceremony
- The METROsquash Gala
- The University of Minnesota Fall Classic
- METROsquash Student & Family Health and Wellness Day
- METROsquash Holiday Potluck
- METROsquash Jr. Silver Tournament

Volunteers

METROsquash volunteers are an integral part of the program, many of whom help out year-round by volunteering their time on the squash courts, in the classroom, and during enrichment activities such as Life Skills sessions and out of town for trips. METROsquash has benefited from crucial partnerships within the immediate community and city of Chicago, and would like to recognize the following individuals and organizations:

MEtROsquash is following in the footsteps of Urban Squash & Education programs across the country and is on track to have a 100% graduation rate amongst its High School Senior’s in 2013. MEtROsquash is aiming for a 100% college acceptance rate, and eventually, a 100% college graduation rate and will support its students as they matriculate in, to, and through college and beyond.

METROsquash students start the College Prep program in middle school and continue on through four years of high school. During this time, each student gains exposure to life on a college campus through college visits, tournament travel and enriching summer camps. Students research colleges, attend informational sessions and college “speed-dating” workshops, attend ACT/SAT prep courses, and receive help with college, scholarship, and financial aid applications.

The Future of METROsquash

The METROsquash Academic & Squash Center

METROsquash has partnered with the Preservation of Affordable Housing (POAH) to assist in the Grove Parc re-development to help revitalize the Woodlawn neighborhood. POAH has donated a 21,000 sq./ft. site on the SW corner of 61st & Cottage Grove for the new home of the METROsquash program.

Your support will provide transformative experiences for young people, and bolster development of one of Chicago’s most promising neighborhoods. The community is committed. The land is committed.

![METROsquash Academic & Squash Center](image)

Your commitment will enable over 300 students and their families in fifth grade through college to be served by the program each year.
