“MetroSquash is a real blessing to me. I’ve had opportunities to travel nationally to participate in summer enrichment camps at prestigious colleges, and have received free tutoring and test prep. These are all opportunities that I would not have gotten without MetroSquash. I have always been proud to talk about squash and what it’s done for me amongst my peers. I believe that I have a lot of experience and success because of their help, and now I’m attending Smith College on a full ride for the upcoming academic year!”

– Anathiel John-Charles, Kenwood Academy
Smith College (MA)
Dear MetroSquash Supporters, Families & Students:

This upcoming school year marks a significant milestone for MetroSquash. In 2005 we launched the program with one class of 10 fifth grade students. Now, almost 12 years later, we mark the first time we will serve a full continuum of students in fifth grade through college graduation. The program now serves over 400 students annually, with over 40 students receiving significant support in college. In addition, our wonderful home at 61st & Cottage Grove Avenue in Woodlawn, is establishing itself as a vital anchor in the community.

With a name like MetroSquash, people often think we are just an athletic program. We believe that our results over these past 12 years demonstrate that - while squash is still the hook – academic and wellness support is our top priority. This focus is borne out through our students’ success and top line results: 100% have graduated from high school, 100% have enrolled in college, and 87% of our 40+ college students are on track to graduate.

Beyond the numbers, students and families view MetroSquash as a second home, a safe space where through hard work they can achieve their potential and access transformative opportunities. Our college students return to receive support, paid internships, and mentor younger students. Parents and guardians are deeply involved. Over 40 family members serve on our Parent Committee. Members engage the organization by fundraising, volunteering and supporting the program on a daily basis.

Our home - the MetroSquash Academic & Squash Center - has been open just over 18 months and the breadth of activity is striking. During the school year, programming runs seven days a week with events and tournaments every weekend. During our five-week summer camp, over 200 students are served each day. In addition, external partners in the community, like the University of Chicago Squash Team, Big Brothers Big Sisters, and others utilize the facility during off-peak hours. While we continue to broaden and deepen our programming, we are proud to report that the center is operating at capacity in fulfillment of our mission.

MetroSquash is also proud to be part of a broader narrative of community revitalization in Woodlawn. Our partners at POaH recently broke ground on the Trianon Lofts and retail space just across the street; Greenline Coffee and Sunshine Ministries continue to broaden their services on 61st street; UChicago Woodlawn Charter (a MetroSquash partner school) has broken ground on their new high school campus at 63rd St. & University; and most significantly, the Barack Obama Presidential Library has announced that it will make its home in Woodlawn, just a few minutes east of MetroSquash in Jackson Park.

This Annual Report represents the distillation of an exceptional amount of positive work – studying, learning, sweat, and competition - that makes up our daily routine. None of this is possible without your support and engagement. We are a program that thrives on your participation and encourage you to get involved as an instructor on the squash court, as a tutor in the classroom, as a mentor, as a parent, and most importantly, as a student.

Thank you for your support.

Sincerely,

Peter Dunne
Board Chairman

David Kay
Executive Director

It is our vision to become a Chicago leader in promoting academic achievement, healthy lifestyles, and access to opportunity for youth.
“MetroSquash is really fun. They help me with my grades and subjects like math and reading and it is really high energy.”

-Rakia, 6th Grade

70 Math concepts mastered per student
MIDDLE SCHOOL ACADEMICS

5th-8th Grade

The Middle School Program has two primary goals. The first goal is to improve Foundational Learning Competencies in English Language Arts and Mathematics. The second goal is to ensure our students are matched with their best fit high school. The process for Selective Enrollment High Schools in Chicago begins as early as 7th grade. Approximately 33% of the selection criteria is based on student’s 7th grade reading, math, science and social studies grades.

MetroSquash middle school students attend practice three times per week and that time is equally divided between academics and squash. A variety of different tools are utilized including; Khan Academy, book clubs, test prep and one-on-one tutoring.

WELLNESS WORKSHOPS

This year, students had the opportunity to participate in 30 different wellness workshops. Workshops focused on the following components of wellness:

- Intellectual
- Social
- Physical

- Environmental
- Occupational
- Emotional

HIGH SCHOOL ACADEMICS

9th-12th Grade

MetroSquash students start the College Prep Program as freshmen, and continue through all four years of high school. During this time, each student gains exposure to life on a college campus, tournament travel, and enriching summer camps. Students research colleges, attend informational workshops, take ACT/SAT prep courses, receive academic tutoring and personalized advising, and get help with college, scholarship, and financial aid applications. The ultimate goal of the College Prep Program is to ensure that students are fully prepared to succeed in a post-secondary institution.

“Being a part of MetroSquash means a lot to me and my family. I am a first year studying Mechanical Engineering at the University of Illinois at Urbana-Champaign. It has been an unforgettable experience finding people with the same tenacity and enthusiasm as me when it comes to gaining more knowledge and experience in their majors. I have had opportunities to work side by side with engineers to start up a project that will possibly impact the way people drive their motor vehicles across the country.”

-Regan, Freshman
University of Illinois at Urbana-Champaign
COLLEGE SUCCESS PROGRAM

MetroSquash supports our college students as they navigate through their post-secondary pursuit. MetroSquash stays in regular communication with each of our students and is equipped to intervene with extra support and guidance whenever it is needed. Support takes many different forms including:

• Campus visits
• Regular check-ins via phone, email and social media
• Assistance with liaising between on-campus resources
• College mentorship
• Care packages
• Internal and external scholarships
• Reunion activities during breaks
• Professional development workshops
• Participation in tournaments
• Access to internship and employment opportunities
• Assistance with the Free Application for Federal Student Aid (FAFSA)

WORKSHOPS

College students have access to a wide variety of workshops during school breaks. In 2015-2016, MetroSquash hosted workshops on the following topics:

• Effective Communication
• Resume Building
• Time Management and Study Skills
• Campus Involvement
• College Resources
• Identity on Campus
• Healthy Relationships
• Designing Your Path: Class Choice, Major/Minor, Internships
• Networking
• How to Study Effectively
• Goal Setting

INTERNISHIPS

Internships are an important component of career readiness. They provide students with networking opportunities, real world experience and college credit. MetroSquash would like to recognize the organizations that provide internships to our students.

• After School Matters
• Fieldglass
• MetroSquash
• MK Communications
• Springleaf
• University of Chicago - Office of Career Advancement
• UTC Aerospace Systems
• Woodlawn Summer Camp

This year, all 16 of our high school seniors gained acceptance to their best-match colleges and universities. Thank you to our families, staff, volunteers, mentors and supporters for playing a critical role in our students’ success.

**Nubia Beasley-Bartee, Lake Forest Academy**
* Bates College (ME)  
“I joined MetroSquash in the 6th grade; I didn’t know what squash was, let alone how to play it. Once I got the hang of it I fell in love; it quickly became a focal point in my life and a necessity in my choice in high school. MetroSquash helped me to find this passion, as well as helping me get into a boarding school like Lake Forest Academy where I could further my education and squash abilities. In the fall I’ll be going to Bates College where I’ll be playing on the women’s squash team. None of this would be possible without the support of MetroSquash and the guidance of everyone in the MetroSquash community.”

**Sherly Francois, Loomis Chaffee School**
* Wesleyan University (CT)  
“I’ve been a part of MetroSquash since 6th grade and it became my second home. MetroSquash opened the door to an array of opportunities I couldn’t have imagined. In 8th grade, MetroSquash introduced me to the idea of boarding school. I attended Loomis Chaffee for four years, which was undoubtedly the best decision I’ve ever made. Although I was miles away, MetroSquash continued their support. After a challenging 4 years of high school, I can proudly say that I will be attending and playing squash at Wesleyan University this fall.”

**Kendall Gregory, University of Chicago Charter - Woodlawn**
* DePaul University (IL)  
“In the short span of two years, I’ve found a home and space I can be free to vent and have friends. I can also get my work done and prepare for life outside of living at home. I feel like I will know the people I’ve met at MetroSquash for a lifetime, including coaches and mentors. I am also good at squash now, and the sport has helped me grow my competitive spirit and stay in shape.”

**Tajj Hill, Gary Comer College Prep**
* Lincoln College (IL)  
“I have been a part of MetroSquash since 7th grade, and I can honestly say that the program has made me who I am today. Staff constantly pushed me to do the best that I could on and off the squash courts. MetroSquash is a great support system to have in my corner, and I am grateful for everything they have done for me.”

**Anathiel John-Charles, Kenwood Academy**
* Smith College (MA)  
“MetroSquash is a real blessing to me. I’ve had opportunities to travel nationally to participate in summer enrichment camps at prestigious colleges, and have received free tutoring and test prep. These are all opportunities that I would not have gotten without MetroSquash. I have always been proud to talk about squash and what it’s done for me amongst my peers. I believe that I have a lot of experience and success because of their help, and now I’m attending Smith College on a full ride for the upcoming academic year!”

**Miaya Kelley, St. Josephinum Academy**
* Alabama A&M University (AL)  
“Even though this is my first year being in MetroSquash, I had the opportunity to visit colleges and play in tournaments. MetroSquash has helped me accomplish so much. They helped me apply to several colleges, write essays for school and find scholarships. I am so grateful for MetroSquash for helping me achieve my goals.”

**Simone McDaniels, Gary Comer College Prep**
* University of Illinois at Chicago (IL)  
“I appreciate all of the opportunities that MetroSquash has offered me from college visits, resume workshops, having my work reviewed by tutors and direct interactions with MetroSquash college students. MetroSquash has given a lot of great insight into what college will be like for me. I am also grateful for being in a program where people are supportive and willing to listen.”
Langston Mitchell,  
Gary Comer College Prep  
Grand Valley State University (MI)

“MetroSquash has been with me since the second half of my freshman year. Ever since then, I’ve been on top of everything I have had to do, and I’ve been better off because of how MetroSquash has pushed me. I thank them for that.”

Maxwell Okwuedei,  
Gary Comer College Prep  
Luther College (IA)

“MetroSquash has helped me since I was in 5th grade. This allowed me to start building up my character at a young age and also gave me the opportunity to see the country. Without MetroSquash, I don’t think I would be the person I am today.”

William Pemberton,  
Blair Academy  
Lehigh University (PA)

“Deciding to join MetroSquash was a life-changing decision that set me up for great success. Joining MetroSquash led me to spend four of the best years of my life at boarding school, and has led me to be able to spend four more years at Lehigh University. Thanks to MetroSquash, my future is sure to be filled with success!”

Gabrielle Powell, University of Chicago Charter - Woodlawn  
Lincoln University (PA)

“I’ve been in MetroSquash since the 5th grade. MetroSquash has been everything great for me! From an excellent support system away from both home and school, I have received amazing opportunities with MetroSquash!”

Lorraine Smith,  
Gary Comer College Prep  
Albion College (MI)

“Being a part of MetroSquash has allowed me to receive more exposure to unique activities. I have truly been blessed. With the support of the MetroSquash staff members, I have received major opportunities. I was blessed with a college scholarship from the Chicago Cubs, and I will always be thankful.”

Kai Stewart, University of Chicago Charter - Woodlawn  
Lincoln University (PA)

“Blessed with the opportunity to be a part of the MetroSquash community, I was provided with scholarships that will benefit me for college. Through tutoring, I was helped to write a 25-page research paper and increase my test scores. I have grown with MetroSquash for the little time I’ve been part of the program. MetroSquash gave me a family and a support system that is not found in school.”

KeVeon White, University of Chicago Charter - Woodlawn  
DePauw University (IN)

“Over my four years at MetroSquash, I’ve leaned a lot. Not only have I found another large group of people that support me through life, I’ve gained experience on the squash court in addition to life. Thanks to MetroSquash, family and other valued people, I will spend my next four years at DePauw University studying computer science as a major and mathematics as a minor.”

SQUASH

Squash is an exciting sport played around the world and an ideal fit for youth development. It has many modified game types and equipment that can be used to suit every size and skill level and it is an indoor sport that can be played year round. It is a natural partner for college success due to its connections to higher education.

Benefits of Squash

- Improves cardiovascular health
- Increases flexibility
- Enhances agility
- Improves hand-eye coordination
- Promotes mental concentration
- Develops muscle strength
- Teaches conflict resolution
- Alleviates stress

Squash Instruction at MetroSquash

Students receive three technical sessions of squash instruction each week. Most students’ first exposure to the sport comes through MetroSquash. Students have the opportunity to progress from beginner all the way to advanced through their time in the program. MetroSquash is grateful to our dedicated team of volunteers that donate their time to teach our students.

17 New mentor pairings in 2015-2016
MENTORING

Research confirms that quality mentoring relationships have powerful positive effects on young people both personally and academically. There are two distinct phases of the mentoring program at MetroSquash.

Middle School

MetroSquash partners with Big Brothers Big Sisters of Metropolitan Chicago while our students are in middle school. The mentors and mentees meet from 10:00 am to 12:00 pm every other Saturday during the school year and once a month on Saturday during summer months. Mentor pairings participate in activities with an intentional focus to increase social skills, develop self-esteem and new interests, and plan for the future.

High School & College

MetroSquash pairs students one-on-one with trusted adult role models that help support them through high school and college. Each student is paired with an adult to help them navigate through positive youth development focusing on the 5 C’s: Challenges, Choices, Consequences, Creative Solutions, and Conclusions. This relationship is meant to last year over year and is a long-term commitment for our students and their mentors.

Mentor Pairings 10+ Years

- Clare Muñana and Kareemah Bates
- James Dodson and Don Hall
- Paul Cussen and Keshawn Idris
- Marcus Bosch and Joseph Harris

GOALS AND ACTIVITIES

- Establish a positive & personal relationship
- Improve mentee’s ability to interact with people from different backgrounds
- Help the mentee establish interests and explore new hobbies
- Help the mentee with their academics
- Explore education opportunities
- Help the mentee establish life goals
- Help the mentee access resources
- Take an active interest in mentee’s squash game
- Have fun
MetroSquash students participated in over 1,200 hours of community service this year.

“MetroSquash gives me the opportunity to be a leader.”

-Ariana, 6th grade
Ariel Community Academy
COMMUNITY SERVICE

Serving the community lets you see how others experience the world and opens your eyes to something new. At MetroSquash all students participate in regular community service activities. Students can complete their community service independently or they can participate in activities arranged by MetroSquash.

MetroSquash Community Service Activities:

- Assisting people with disabilities at their monthly bowling league
- Teaching squash to people with disabilities
- Assisting people with disabilities create holiday crafts
- Creating flower bouquets for individuals at healthcare facilities
- Cooking Thanksgiving meal for people in need
- Preparing lunches for those in need
- Cleaning local community gardens
- Replanting local community gardens
- Organizing book drives
- Organizing shoe drives
- Creating blankets for families in need
- Interacting and playing games at a local senior center

PARTNER ORGANIZATIONS:

- Clearbrook
- Random Acts of Flowers
- Inspiration Corporation
- Chicago Cares
- Share Your Soles
- Englewood Outreach Program
- The Burnham at Woodlawn
- The Hotchkiss School
- Open Books
- IBM

COMMUNITY SERVICE ALL-STARS

MetroSquash would like to recognize the following students for donating the most time to community service.

- **Zion**, 10th grade, Mount Carmel High School - 34 hours
- **Jamiah**, 8th grade, CICS - Washington Park - 31 hours
- **Arkeith**, 6th grade, Bronzeville Lighthouse Charter School - 28 hours
- **Kyle**, 11th grade, Kenwood Academy - 23 hours
- **Malik**, 7th grade, Ariel Community Academy - 21 hours
“I participate because I believe MetroSquash is an awesome organization for my family. I love having the opportunity to have input in the program and appreciate the fact that our voices are heard.”

-Veronica Messenger
PARENT COMMITTEE

MetroSquash families volunteer throughout the year. They support the program by assisting with daily practice, fundraising events, tournaments, student celebrations and tryouts. This dedicated team of volunteers has given over 300 hours to MetroSquash this year alone.
